2023

EVERY LOVE STORY IS BEAUTIFUL...

start your happy ever after with us

Creating truly memorable weddings is our passion and our wedding planner will be sure to help you every step of the way.

We will be there on your special day with our professional and experienced team to hold the reins, taking care of every little detail so you can truly relax and enjoy your wedding day with ease, spending the best day of your lives with the people you love the most.

Our Master of Ceremonies will be on duty on your wedding day and will ensure the smooth and timely running of your special day. They will be on hand to guide the guests and inform the wedding party of what is happening and what they can expect to occur in the near future. Amidst all the celebration, food, dancing and drinks, they will ensure that you are getting all that you dreamed of on your special day.

Through hosting over 400 weddings we have a wealth of knowledge and have wonderful working relationships with many contacts and reputable firms that we are able to recommend to you if you so wish.

Fusing chic, contemporary design with the hues of the surrounding ocean and pebble ridge, The Pier House offers a remarkable and stylish venue for any wedding day. The Bay Suite has it's own bar and food serving facilities.

Most striking of all, perhaps, is the glass fronted terrace which stretches the length of the building, overlooking the wild, wonderful ocean and the rugged Abbotsham Cliffs. Perfect for fantastic photo opportunities for any couple and the perfect romantic moment watching the sun set in newly-wedded bliss with a glass of something sparkling.
